INDEPENDENT AUDITORS' REPORT

Board of Directors
Helps International, Inc.
Addison, Texas

We have audited the accompanying financial statements of Helps International, Inc., which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of the Guatemala division, which statements reflect total assets of \$532,419 and \$782,774 as of December 31, 2020 and 2019, respectively, and total revenues of \$2,285,200 and \$3,447,093, respectively, for the years then ended. Those statements which were prepared in accordance with the Income Tax Law of Guatemala were audited by other auditors in accordance with International Standards on Auditing, whose report has been furnished to us and our opinion, insofar as it relates to the amounts included for the Guatemala division, is based solely on the report of, and additional audit procedures to meet the relevant requirements of auditing standards generally accepted in the United States of America performed by, the other auditors. We have applied audit procedures related to any conversion adjustments to the financial statements of the Guatemala division which conform those financial statements to accounting principles generally accepted in the United States of America. Our opinion, insofar as it relates to the amounts included for the Guatemala division, prior to any conversion adjustments, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Board of Directors
Helps International, Inc.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the financial position of Helps International, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HELPS INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Helps International, Inc. (the Organization) is a Texas nonprofit organization. The Organization began operations and was incorporated in the state of Texas in December 1983. The Organization provides relief and development support to the indigenous populations of Guatemala. The relief and development support includes volunteer medical teams operating clinics and hospitals for one week at a time; year-round health promotion in some villages; volunteer construction teams improving homes, schools, and various infrastructures; and planning, support, and direction of an elementary education and scholarship program.

Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The financial statements include amounts that are based on management's best estimates and judgments. Actual results could differ from those estimates.

Income Tax Status

The Organization is exempt from the payment of federal income taxes on its related activities under section 501(c)(3) of the Internal Revenue Code (IRC) and has been designated by the Internal Revenue Service (IRS) as a "publicly supported" organization under Section 509(a) of the IRC.

The Organization follows the guidance that clarifies the accounting for uncertainty in income taxes recognized in an organization's financial statements. The Organization has no current obligation for unrelated business income tax. The Organization files as a tax-exempt organization.

Foreign Currency Translation

For the foreign locations whose functional currency is the local foreign currency, statements of financial position accounts are translated at exchange rates in effect at the end of the year and statements of activities accounts are translated at average exchange rates for the years ended December 31, 2020 and 2019. Translation gain (loss) in the amount of \$3,607 and (\$15,785) as of December 31, 2020 and 2019, respectively, is included in Other Income, Net.

Cash and Cash Equivalents

For financial statement purposes, the Organization considers cash and cash equivalents to include cash in banks and liquid investments with an original maturity of three months or less.

HELPS INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Accounts Receivable

The Organization uses the allowance method to account for uncollectible accounts receivable. The allowance is sufficient to cover both current and anticipated future losses. Uncollectible amounts are charged against the allowance account. Management estimated the allowance based upon prior experience with customers and analysis of individual trade accounts at December 31, 2020 and 2019.

Inventory

Inventory is carried at the lower of cost or net realizable value. Cost is determined by the weighted-average method. Inventory consists of raw materials related to stoves and is stored in Guatemala.

Property and Equipment

Acquisitions of property and equipment are capitalized and depreciated on a straight-line basis over the estimated useful lives of the related assets. Furniture and equipment have a useful life of five to seven years; vehicles have a useful life of five years; leasehold improvements have a useful life of five to seven years. Property and equipment is valued at cost if purchased, or fair value if contributed. The Organization's policy is to capitalize all property and equipment purchases in excess of \$500.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and reclassified as net assets released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Equipment Sales

The Organization recognizes sales revenue for products shipped to customers, which consist primarily of low cost high efficiency stoves that enhance safety and wellness to the indigenous populations that the Organization serves. Revenue is recognized at a point in time when the product is shipped.

HELPS INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Contributions

The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as Net Assets Released from Restrictions.

In-Kind Contributions

The Organization recognizes contributions of services received if such services (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not contributed. Management's estimate of the value of contributed medical services and the related expense is determined using key factors and assumptions. These factors and assumptions are reviewed by management to ensure the preparation of financial statements are in conformity with U.S. GAAP.

Contributions of noncash assets (materials and equipment) are recorded at their fair values in the period received. Contributions of services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and which would typically need to be purchased if not provided by donation, are recorded at their estimated fair values in the period received.

Taxes Payable

The Organization's taxes payable represent value-added taxes imposed by a foreign government in connection with the sales of stoves. Taxes are accrued and paid as imposed on related sales.

Contingencies

In March 2020, COVID-19 was declared a worldwide pandemic by the World Health Organization. It had, and is continuing to have, significant impact on global markets, supply chains, businesses, and communities. The Organization cancelled all programmatic trips to Guatemala after this declaration, which impacted operations including contributions, contributed medical and other services, and equipment sales. As the pandemic has continued into 2021, the full impact is unknown and cannot be reasonably estimated.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions subsequent to December 31, 2020 for potential recognition or disclosure through September 28, 2021, the date the financial statements were available to be issued.

HELPS INTERNATIONAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 2 LIQUIDITY AND AVAILABILITY

Net Property and Equipment	<u>\$ 79,156</u>	<u>\$ 133,854</u>

NOTE 4 CONCENTRATIONS

Financial instruments, which subject the Organization to a concentration of credit risk, consist of demand deposits placed with financial institutions. At certain times during 2020 and 2019, the Organization had funds deposited with financial institutions in excess of the Federal Deposit Insurance Corporation (FDIC) limits. The Organization's funds exceeded FDIC limits by \$2,098,985 and \$2,081,082 at December 31, 2020 and 2019, respectively. Management believes the risk of loss in these situations is minimal.

The Organization maintains assets in Guatemala as a part of its organizational purpose. The Organization's operations are subjected to various political, economic, and other risks and uncertainties inherent in foreign operations. Among other risks, the Organization's operations are subject to the risks of restrictions on transfer of funds, domestic and international customs and tariffs, foreign exchange restrictions, and political conditions and governmental regulations.

NOTE 8 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. All expenses, with the exception of agricultural and educational expenses, and in-kind expenses, are allocated on the basis of management's best estimates of time and effort.
